EDUCATION

Master of Science in Computer Engineering Specialization in Data Science and Analytics 2024 - 2026
Department of Electronics and Computer Engineering, Pulchowk Campus, Institute of Engineering, Tribhuvan University, Nepal
Advisors: Asst. Prof. Basanta Joshi, Assoc. Prof. Francesco Picariello
Thesis: Marker Based Vision System for Pose Estimation and Tracking of Civil Structures

GPA: 3.6/4

Master of Science in Climate Change and Sustainable Development 2019 - 2021
Department of Applied Sciences and Chemical Engineering, Pulchowk Campus, Institute of Engineering, Tribhuvan University, Nepal
Advisors: Prof. Dr. Khem Narayan Poudyal, Asst. Prof. Aayush Bhattarai
Thesis: Estimation of Global Solar Radiation Potential using Hybrid Models: A Case Study of Nepal

GPA: 3.3/4

Bachelor of Engineering in Electronics and Communication Engineering 2014 - 2017
Department of Electronics and Communication Engineering, Kantipur Engineering College
Institute of Engineering, Tribhuvan University, Kathmandu, Nepal
Final Year Project: Design and Implementation of Smart City using IoT GPA: 2.7/4

TEACHING EXPERIENCE

Instructor, Bachelor of Engineering in Computer Engineering Sep 2023 – Present
Institute of Engineering

- **Samsung Innovation Campus Courses:** Coding and Programming (CnP), Applied Data Science(ADS), Big Data Computing
- **Lecture (Undergraduate Students):** Foundation of Data Science(FDS)
- **Laboratory work:** FDS, ADS, Big Data, CnP

Lecturer, Bachelor of Engineering in Computer Engineering Nov 2022 – Aug 2023
Faculty of Science and Technology

- **Lecture (Undergraduate Students):** Computer Science, Computer Network
- **Laboratory work:** Computer Workshop, Computer Hardware, Basics of Internet

Lecturer, Bachelor of Computer Application. Nov 2019 - Nov 2022
Department of Humanities and Social Sciences

- **Lecture (Undergraduate Students):** Computer Fundamentals and Application, Microprocessor, Digital Logic, Distributed System, Computer Architecture
- **Laboratory work:** C Programming, Computer Fundamentals, Microprocessor, Computer Architecture, VHDL

Peer-Reviewed Conference Papers (Under Review)

Preliminary Assessment of a Low-Cost DeepTag-Based Vision System for Structural Dynamic Testing

A transfer learning-based approach for automatic monument detection

AWARDS

• Institute of Engineering (IoE) Football Cup, First	2022
• Climate Launchpad Nepal, First runner-up	2020
• Climate Launchpad South Asia, Top 11	2020
• The Belt and Road Entrepreneurial Stories, Top 20	2019
• Startup ICT Award, Top 5	2019

INDUSTRY EXPERIENCE

Consultant Engineer, Local/Provincial Project Bank Management Information System	Apr 2023 – Dec 2024
• Provide Orientation about (LPBMIS/PPBMIS) to policy makers in both local level and provincial level. • Coach different government employees on using the system.	
System Administration, Pulchowk Campus	Apr 2019 - Present
• Create a well-equipped environment for development activities related to Information Technology.	

- Produce quality software for use within the Campus and Institute.
- Provide specialized training in any field of Information and Communication Technology(ICT).
- Carry out research and development works related to ICT.
- Provide consultancy services related to ICT.
- Provide Internet facilities to the students and faculties of Pulchowk Campus.

Co-founder/CTO, Green Coins Pvt. Ltd.

Mar 2018 – Nov 2020

- Work with UNDP Accelerator Lab to research on green alternatives such as rainwater harvesting, recycling, upcycling, etc.
- Model a system to mitigate the effect of air pollution.
- Develop systems and applications including Walkman, Hariyobazar, GreenPartner Interface, etc.
- Define strategic plan and adequate ideas.

Assistant Consultant Engineer, Smart Tech Pvt. Ltd.

Jan 2018 - Jan 2019

- Retrieving household information from VDCs and '*Gaupalikas*'.
- Assist in creating database and visualization systems.

OTHER EXPERIENCE

- Selected for a 3 month Research as ERASMUS+ Mobility Program, University of Benevento, Italy
- Participation in 60th Asian Internet Interconnection Initiatives (AI3), Thailand
- Participation in 59th Asian Internet Interconnection Initiatives (AI3), Japan
- Participation in 57th Asian Internet Interconnection Initiatives (AI3), Philippines
- Panelists at one-day workshop for Web 3.0 during the Robots & Animals event hosted by Esatya, Nepal
- Participation in 56th Asian Internet Interconnection Initiatives (AI3), Malaysia
- Participation in EBA Minamata Fieldwork 2023, Japan
- Software development for Free Student Union Election, Pulchowk Campus
- Participation in 54th Asian Internet Interconnection Initiatives (AI3), Philippines
- National Training on Digital Technologies for Disaster Risk Management, Government of Nepal
- IT Assistant in the 10th IoE Graduate Conference
- Participation in Institutional Web Administration, Tribhuvan University
- Participation in Youth Story Session on Entrepreneurship, China
